

January 23, 1989

"Rocky" Colavita has been found! All it took was a suggestion by Larry Hackett to check the local phone book in our hotel room at the Veterans Day reunion. Those attending were: Wayne Tubaugh, Nick Donvito, Bob Condella, Larry Hackett, Tim Kanan, Steve "Frenchey" Faucher, and myself. We had a good time.

The next reunion is scheduled for February 10-13, 1989 in Syracuse, New York. Call Nick Donvito for details and information.

"Private eye" Nick Donvito has been busy running social security number traces from old sets of orders. Those found include: John Brownlee, Pete Nielsen, Frank "Red" Niggeman, Bill "Rod" Rodriguez, and Art Soper from Range; Jim Farrell, Jim Gochie, and Walt McClernon from Cat; plus Mike "Mouse" McGhie and Dave Sigety from Skull. Those who are possibilities involving last known addresses and/or unlisted phone numbers include: Joe Villa, Rudy Nuncio, Herbert Gilbert, Ed "Big Ed" Waterman, Steve Krueger, Ben Lemon, Frank "Paco" Higgins, and Jim "Pete" Noe, all from Range. Stay tuned! Those whose numbers revealed no information whatsoever include: Rick Ryan, Bill McElrath, Don Faulkner, Lloyd "Action" Jackson, Clyde "SGT B" Bonnelycke, Ken Morse, John Lee, Terry Dawson, Harry Kimbrough, Dave Tichnell, Bob "Psycho" Sykes, Roger Smarr, Jim "Beefsteak" Bradford, Victor Milke, Jerry Hornberger, and Jeff "Mohawk" Reynolds. Too bad!

If anybody out there has orders with the names of "Marty" Martinez, Sandavol, Willie Cherry, Ken Pierce, or other Range members not mentioned above or on the roster, let me know. Plus, if anybody wants to find their buddies by running their social security numbers, contact Nick. Nick has been charging "his" cost of \$11.00 per number, but it certainly beats the time and hassle of calling all the S. Kruegers in the Denver phone book when he is currently living in Phoenix, Arizona with an unlisted phone number! (I do know his address.)
